

Wisconsin Department of Natural Resources

List of Certified and Registered W.E.T. Laboratories

Bureau of Integrated Science Services

Laboratory Certification and Registration Program

NOTE: Please be aware that, while certified to conduct WET tests, the Wisconsin State Lab of Hygiene is under contract to conduct compliance inspection tests, research and test development, etc. for the WDNR and due to possible "conflict of interest" does not perform WET tests commercially for hire for use by permittees to meet WPDES requirements.

This list is printed twice annually. To obtain a more recent list, please call (608) 267-7633. Certification or Registration by the State of Wisconsin under Ch. NR 149, Wis. Adm. Code is not an endorsement or guarantee of the validity of the data generated by a laboratory.

Wisconsin Department of Natural Resources
